

# SOLUKHUMBU DEVELOPMENT PROJECT

FUNDRAISER for NEPAL COMMUNITY

[www.nepalfundraiser.blogspot.com](http://www.nepalfundraiser.blogspot.com)

## WHO:

*Architecture for Humanity* and *Edge of Seven* are collaborating to provide sanitation and educational improvements in the rural and impoverished Everest Region of Nepal.

## WHAT:

A fundraising event that will provide financial support to explore and construct innovative low-impact building methods and sustainable water and sanitation systems, improving the quality of life in five villages in the Himalayan region of Nepal. Improvements include:

- Water and Sanitation Improvements to the village of Purdu
- A two-room addition to a lower secondary school in the village of Phuleli
- A four-room addition and new sanitation facilities to a higher secondary school in the village of Basa
- A new primary school campus with working toilets and fresh water supply in Chiwang
- Environmental and sanitation improvements using a pilot biogas toilet system in Taksindu

## WHEN:

Saturday, September 10th

## WHERE:

Indreni Cultural Association  
*Nepali Cultural Center*  
3025 N. Beltline Rd.  
Irving, TX 75062

## COST:

\$10  
All donations accepted
